### About university and institute

Teaching the specialization courses takes place in Institute of International Relations (IIR) of Taras Shevchenko National University of Kyiv and is organized by the Department of World Economy and International Economic Relations and other departments of the Institute. Studying in IIR has several advantages:

✓ Taras Shevchenko National University of Kyiv and its Institute of International Relations in particular have **high reputation** in Ukraine and among foreign universities and research centers, which positively affects the reputation of the graduates and **facilitates their employment**. The University has a long history and was founded in 1834. Today about 24 000 students study in TSNUK;

✓ the Institute (initially as a faculty) was founded in 1944 and has the **longest experience** among the higher educational institutions of Ukraine as for teaching students who major in **International Studies** and has a significant experience of education and research in **International Entrepreneurship**;

✓ Institute of International Relations has **highly skilled lecturers**, who are able to provide the necessary quality of education;

✓ Institute of International Relations has the necessary **facilities** (one of the best academic buildings in Ukraine, its own library, hostel, sports facilities, computer facilities, and modern technical equipment for teaching) **for quality education**, campus life and leisure;

✓ The Institute has long traditions, experience, and reputation in teaching **foreign languages** (more than 20 languages), which is essential for specialists in Foreign Studies and International Entrepreneurship. The International Entrepreneurship specialization courses for master students are English-taught courses, which provide the graduates with better employment opportunities in multilingual environment.

✓ The **Department of World Economy and International Economic Relations** has the necessary experience (founded in 1974) in education and participation in international projects INTAS, TEMPUS, TACIS; it was one of the first departments in the University to start **English-taught master programs**; the **specialization International Entrepreneurship was launched in 2014**;

✓ a bachelor in International Economic Relations can **continue education** in the Institute as a **master student**, and after graduation one can become a **postgraduate student** and defend one's PhD or doctoral thesis;

✓ IIR is a place for extracurricular activities: Research Club for Students and Postgraduates, Students' Council, Hostel Student's Council, UNESCO Youth Foundation, Youth Section of the Kyiv Marketing Club, political and diplomatic club «Ambassador», Cinema Club, Debate Club, and student research groups. The Institute holds **cultural, sports and intellectual events**. It also publishes a student newspaper "Mizhnarodnyk".

#### **Alumni of IIR work:**

- as officials in government bodies and public institutions in Ukraine and 90 other countries;
- in intergovernmental economic organizations and non-government organizations of;
- in transnational companies and other business entities in Ukraine and abroad
- in higher education and research institutions of Ukraine and other countries.
