ENGLISH LANGUAGE PROGRAM "INTERNATIONAL TRADE REGULATION"

ADVANTAGES

The program is supported by the Trade Representative of Ukraine Natalia Mykolska: *"Congratulations to new graduates - International Trade Regulation Program! Awaiting for you in the Ministry of Economic Development and Trade!"* (N. Mykolska said about the first graduation of the program 2015).

Although there are a lot of lawyers on the labor market, a huge lack of professionals in International Trade Law is vivid.

Ukraine intensively increases its role within the WTO, and in 2014 eventually has signed the Association Agreement establishing the Free Trade Area with the European Union, and is a member of a number of other regional trade agreements.

The program is subject to permanent development and upgrade, reacting timely to international trade climate change for students to get the best and newest knowledge in this area.

SUPERVISOR OF STUDIES

Associate Professor at the Chair of International Private Law in the Institute of International Relations, lecturer of "Legal Profession and Legal Practice", one of authors of the Law of Ukraine "On Foreign Economic Activity".

Sergii Koziakov has many years' experience of advocacy in International Trade, represented numerous times the interests of Ukrainian and foreign parties to the antidumping and safeguard investigations.

In April 2013 "Best Lawyers International" rating office recognized Sergii Koziakov as the lawyer of the year in International Trade Law.

In November 2014 Sergii Koziakov was appointed as the Head of the High Qualification Commission of Judges in Ukraine.

SERGII KOZIAKOV

PURPOSE OF THE PROGRAM

TO PREPARE HIGH QUALIFIED AND SUCCESSFUL SPECIALISTS in International Trade Law, which will protect properly the clients' interest in the market of private legal service from one side, and, effectively maintain consistent state position in International Trade from the other side. Although there is a big number of lawyers in Ukraine and in the world, considerably huge demand for specialists particularly in International Trade is required.

The program is unique educational project on the territory of Eastern Europe and is elaborated based on the experience of the **best European law schools**, specialized in training of professionals in International Trade.
